# Weekly Vocabulary

Round 2: Week 9

**Academic Word:** **fundamental (adj)** /fʌn.də'men.təl/

**Meaning:** more important than anything else

**Collocations:** 'fundamental requirement'  
'fundamental to something...'

**Examples:** Having enough money is fundamental to the success of the project.

## General English Expression: 'take it or leave it'

**Meaning:** This means that you feel something is okay but you are not excited about it but do not dislike it either.

**Example:** My friends love to go clubbing at the weekend but I can take it or leave it.
